CBSC and Ncontracts Expand Relationship to Include NboardPortal and Ntranets

CBAI Members Receive Preferred Discounts on Subscription and Implementation Fees

Springfield, IL (April, 13, 2021) --- Today, the Board of Directors of Community BancService Corporation, Inc. (CBSC), the business services subsidiary of Community Bankers Association of Illinois (CBAI), the only Illinois-based trade association dedicated exclusively to serving the interests of Illinois community banks, announced that its partnership with Ncontracts now includes **NboardPortal, a powerful platform for board member and committee engagement, and Ntranets, an employee intranet and portal.**

"Community banks need a secure online space to manage employee communications and board business where there is no concern about breaches or leaks, and NboardPortals offers that," said Jeff Bonnett, CBSC Chairman and President of Havana National Bank. "Ncontracts' NboardPortal allows board members to securely access the most current information for board and committee meetings on any device with Internet access. Its mobility also supports board members who prefer to attend meetings remotely."

"We are excited to add NboardPortal and Ntranets to the growing suite of Ncontracts' compliance and risk management solutions for community banks," said Mike Kelley, CBSC President. "It is critically important that community bankers have access to proven, quality, and cost-effective compliance and risk management solutions. We are excited to expand our relationship with Ncontracts, which has proven time and again that they are the best in the business."

The list of CBSC-Ncontracts solutions includes:

- **Nvendor** (vendor management software)
- **Ncontracts Manager** (vendor contract management software)
- **Nrisk** (enterprise risk management software)
- **Ncontinuity** (business continuity management software)
- **Nfindings** (audit and exam findings management software)
- **Ncomply** (compliance management system)
- **Ntranet** (employee intranet and portal)
- **NboardPortal** (board portal software)
