

Community Bankers Association of Illinois
ACTION ALERT

CBAI ACTION ALERT: Urge Members of Congress to Include Critical Provisions in the Next Pandemic Relief Bill!

CBAI joins the ICBA in urging Illinois community bankers to ask their Members of Congress to include key provisions in the next pandemic relief bill.

Congress is returning from their election break and will be working on potential COVID-19 relief during the "lame duck" session. Your response to this action alert asks your Members of Congress to include common-sense recommendations in upcoming legislation including simplified PPP loan forgiveness with a \$150K threshold; reversing the EIDL offset against PPP loan forgiveness; excluding PPP loans from assets for regulatory capital purposes; extending the TDR provisions through 2021; and making the 8% CBLR permanent for banks under \$10 billion.

This important relief will help community banks and their small-business borrowers weather the COVID-19 pandemic.

Please share this action alert with your board members, senior management, and staff. We need a strong showing from Illinois community bankers. Thank you for responding!
