

It is with great sadness that we announce that CBAI's Annual Convention scheduled for September 24-26, 2020 in Indianapolis will not be held in-person as planned. This tough decision was made by CBAI's leadership in consultation with the Special Events Committee and after reviewing the COVID-19 trends in Indiana and Marion County (where Indianapolis is located). These trends have worsened and restrictions have been increased in the state of Indiana, specifically in Indianapolis. The health and safety of our members, vendors and staff, as well as their families is always our number one priority, and this decision was made with that goal in mind.

CBAI will provide full refunds to all bankers, exhibitors and sponsors next week.

We ask everyone who reserved a room at the JW Marriott to contact the hotel immediately and cancel those reservations. The hotel reservations phone number is 866/704-6162.

Additionally, CBAI will conduct the 46th Annual Business Meeting in a virtual format. Details on that meeting will be forthcoming.

We also encourage to mark your calendar for CBAI's 2021 Annual Convention scheduled for September 23-25th at the Marriott Marquis, Chicago. Thank you for your understanding and continued support.

Stay safe and healthy.

Doug Parrott  
CBAI Special Events Chairman

David Pirsein  
CBAI Chairman
