# Due to COVID-19, many individuals and healthcare professionals are wearing facemasks for an extended period of time every day.

This product prevents the thin elastic bands on facemasks from irritating the skin around your ears after hours of use.

## Polyester + Spandex Headwrap

Prevent irritated skin with this polyester and spandex blend headwrap. With a button sewn on each side, the elastic bands on your medical facemasks are able to attach to something other than your ear - preventing them from rubbing and scratching your skin.

The material can be PMS color matched to your brand with an option for a step-and-repeat pattern.

\*Pricing includes current applicable tariffs, and dock delivery to 1 Continental US Location. Air Freight Option available, additional charges apply.

\*\*Pricing Subject to Change.
