

Community Bankers Association of Illinois

One Mission. Community Banks.®

Good Afternoon Community Bankers,

New FAQ's from the U.S. Department of Treasury answer some important questions. Question 19 states that banks may use their own promissory note or an SBA form of promissory note. Question 20 answers the five-day funding question by requiring disbursement of the loan to take place no later than 10 calendar days from the loan approval. [See FAQ's from the U.S. Department of Treasury.](#)

Thanks,

Kraig
