Join College Ave for a Private Student Loan Referral Program Webinar

(Springfield, IL.) May 13, 2020 --- Community BancService Corporation, Inc (CBSC), the business services subsidiary of the Community Bankers Association of Illinois (CBAI), today announced it has begun implementing CBAI member banks to provide student loans and student loan refinancing services through the College Ave Student Loan Referral Program. Through this program, Illinois banks are able to offer customers student loan products, advice and assistance in funding post-secondary education and refinancing existing student loans both without taking on any origination, disbursement or servicing responsibilities.

"After participating in a recent webinar about the new service, I knew it would be a perfect fit for our bank, its customers, and the community" said Kim McKee, North Central Bank EVP and COO. "Given the financial stress caused by the pandemic, we are proud to be able to offer our customers with additional sources for funding a college education."

The referral program gives Illinois' community banks the ability to offer College Ave's best-in-class in-school and refinance products, which are known for their competitive interest rates and flexible repayment terms. College Ave also prides itself on delivering a simple, clear and personalized experience. The online application process takes 3 minutes to complete and delivers an instant credit decision..

"We are gratified to see our member banks respond so well to this opportunity to serve their customers" said Mike Kelley, CBSC President. "CBSC views this program as one that can help our member banks serve their mission."
