

2021 Flood Webinar Series

Flood Insurance Rules, Best Practices & Liability

Flood Compliance Beyond the Basics

Flood Forms Line-by-Line

Commerical Flood Insurance Regulations & Compliance

Presented by CBAI

Introduction

WHY PARTICIPATE?

Is your loan flood insurance compliance program robust enough to weather a storm? Examiners are inspecting flood procedures with a fine-toothed comb and are quick to issue civil money penalties for noncompliance.

This can't-miss series addresses flood rules, FAQs, disclosure requirements, commercial loan regulations and much more. Ensure your staff knows the policy ins and outs and the forms line-by-line. Don't miss this chance to explore each step in developing a water-tight flood compliance program!

THREE REGISTRATION OPTIONS

1. LIVE WEBINAR

The live webinar allows you to have up to three audio and Internet connections to view online visuals as the presentation is delivered. You may have as many people as you like listen from your office speaker phone. Registrants receive a toll-free number and pass code that allow entrance to the seminar.

The session is approximately 90 minutes, including question-and-answer sessions. Seminar materials, including instructions, PIN number and handouts are emailed to you prior to the broadcast. You need the most current version of Adobe Acrobat Reader available free at www.adobe.com.

2. ON-DEMAND WEB LINK

Can't attend the live webinar? The on-demand web link is a recording of the live event including audio, visuals and handouts. You even receive the presenter's e-mail address so you may ask follow-up questions. Within five business days following the webinar, you are provided with a web link that can be viewed anytime for the next six months. This link expires six months after the live program date.

3. BOTH LIVE WEBINAR AND ON-DEMAND WEB LINK

Includes options 1 and 2 above.

Listen on your iPad, iPhone, or Android

(Instructions will be emailed to you with the on-demand link).

FLOOD INSURANCE RULES, BEST PRACTICES & LIABILITY

Wednesday, January 20, 2021

Phillip Buffington, Adams and Reese, LLP

Do you understand the flood insurance rules and why examiners continue to cite institutions for violations and assess fines? Although these rules have been around a while, they have evolved somewhat. It's important to understand your duties and obligations and how to maintain

compliance. This webinar reviews flood insurance rules and regulatory issues, concentrates on current issues involving flood compliance, and provides best practices to keep your portfolio covered.

FLOOD COMPLIANCE BEYOND THE BASICS

Wednesday, February 3, 2021

Molly Stull, Brode Consulting Services, Inc.

Take your flood compliance expertise to the next level with this beyond-the-basics webinar. By expanding your knowledge of the Flood Disaster Protection Act you can tackle the next flood challenge without feeling like you're battling a rip current. This session dives deep into the

compliance expectations during your next examination, explains how to avoid the frequent violations regulators have identified, and provides guidance on navigating trip-line situations.

FLOOD FORMS LINE-BY-LINE

Thursday, March 4, 2021

Molly Stull, Brode Consulting Services, Inc.

If your institution has loans located in a special flood hazard area, a strong, basic understanding of flood compliance is essential for your staff. Starting with recognizing when to obtain the initial determination, then ensuring an adequate flood insurance policy is in effect, and concluding with the force placement of flood insur-

ance, this webinar reviews the necessary forms along the way. Although regulatory violations are frequent in this area, this webinar provides a host of tips for wading through the fundamental requirements of the Flood Disaster Protection Act.

COMMERCIAL FLOOD INSURANCE REGULATIONS & COMPLIANCE

Thursday, March 18, 2021

Susan Costonis, Compliance Consulting and Training for Financial Institutions

Compliance with the flood insurance rules can present unique challenges in the commercial lending area. Commercial loan collateral may include a combination of residential and non-residential property, along with commercial inventory. These scenarios can create problem

areas for complying with flood regulations. Attend this session to learn the flood coverage rules and root causes of common violations in the commercial lending arena and protect your financial institution from costly mistakes.
