Remote Workforce Series: Security Compliance for Work from Home Staff

Tuesday, February 23, 2021

2 - 3:30 p.m.

The pandemic has changed the way we work and where we work. Security concerns are even greater with work from home staff. Financial industry experts believe the work from home trend will continue even after the pandemic ends. This could lead to unanticipated outcomes regarding unintentional disclosure of accountholder information. How can your financial institution ensure the necessary steps are being taken to secure accountholder information and comply with industry regulations?

HIGHLIGHTS

- Identify the threats and risks of maintaining a remote workforce
- Verify security compliance or non-compliance with industry regulations
- Implement best practices for work from home staff
- Properly manage the ongoing risk of the remote workforce
- Identify whether a job function can be performed offsite

TAKE-AWAY TOOLKIT

- Best practices checklist for work from home staff
- List of common attacks/threats against remote workers and how to mitigate them
- Sample remote worker policy that complies with FFIEC and regulatory guidelines
- Employee training log
- Interactive quiz

Attendance verification for CE credits provided upon request.
