

CBAI FOUNDATION SCHOLARSHIPS EXCLUSIVELY FOR CBAI MEMBERS

It probably seems like only yesterday that your employees' little ones were exploring the bank, full of curiosity and daydreams. Now they are about to graduate high school with plans of college and a wide-open future. With college tuition ever on the rise, CBAI is proud to offer scholarships exclusively for CBAI member banks that provide funds to the children and grandchildren of community bankers and directors, as well as, part-time community bank employees. What better way to support your employees' children and grandchildren than by nominating them for CBAI's SHAZAM®, Kasasa and Community BancService Corporation (CBSC) scholarships, which provide students \$1,000 per year for up to four years of higher education.

CBAI's Foundation for Community Banking is pleased to offer scholarships for the children and grandchildren of bank employees and directors. These scholarships have been made possible by the generous contributions of SHAZAM®, Kasasa, and CBSC. These scholarships are only available to the children and grandchildren of CBAI member banks' employees and directors, plus part-time employees of eligible banks.

Scholarships are \$1,000 per year for up to four years of higher education if the child remains eligible via grades and full-time student status.

Eligible Banks: CBAI member banks contributing or pledging a cumulative minimum of \$2,500.*

*Banks are also eligible for an entry into the annual drawing for scholarships to the Community Bankers School

Eligible Students: The children and grandchildren of eligible CBAI-member bank employees, directors, and officers — or a part-time bank employee — who are entering their freshman year of undergraduate school or post-high school trade school as a full-time student.

CBAI's Foundation for Community Banking has provided deserving high-school seniors with funding for the ever-increasing rate of college tuition since 1987. Donations to the CBAI Foundation are totally tax-deductible. Pledges may be made over a period of years.

Since its inception, the CBAI Annual Scholarship Program has distributed nearly \$450,000 to 300+ appreciative Illinois high-school students. In the process, they have learned more about the important roles that community banks play in their lives and CBAI member banks have reaped public-relations benefits for their parts in the process.
