2026 FDIC & CBAI DIRECTORS' COLLEGE

August 4, 2026

Crowne Plaza

Being a member of a community bank's board of directors is a challenging and rewarding experience. The community bank director has duties to the institution, its stockholders and its depositors. And, he or she has responsibilities to the public-at-large. To meet these duties and responsibilities, a director must be knowledgeable and active.

Thus, we invite you to join the FDIC and CBAI for the 2026 Directors' College. Representatives from the FDIC discuss hot banking topics to make this comprehensive, one-day conference a must attend.
