

## **CBAI FedPac Fundraiser – Another Sellout! Covering All the Bases for Community Bank Advocacy**

CBAI extends a huge THANK YOU to the many community bankers, their families, associate members and sponsors for stepping up to the plate and supporting CBAI's FedPac!

The game was a mid-season matchup between the National League Central Division rivals St. Louis Cardinals and Chicago Cubs, with both vying for postseason spots. The enthusiastic crowd in our Redbird Row suite saw the Cubs beat the Cards 4 to 2 in a low-scoring 10-inning game.

For more than 10 years, this FedPac Fundraiser has been a terrific opportunity for team members to gather and have fun while supporting a great cause – advocacy for community banking. There were several new players on our bench, which made for a great mix of rookies and veterans.

CBAI FedPac was created to enhance the voice of Illinois community banks in Washington, D.C. CBAI FedPac is a valuable tool for community bankers to exert a strong influence by supporting those members of Congress who believe in our mission to compete fairly and serve our customers and communities.

CBAI thanks all of our championship team members for supporting CBAI FedPac and these sponsors for making this an enjoyable and effective way for community bankers to get involved and make a difference.
